Terms And Conditions

Existing customers who refer their friends to our service can earn \$50 Buddy Credits for eligible referrals.

The Buddy Credit Program is not retrospective. The referring Customer (Referrer) must be mentioned at the time of sign up by the Customer who received the referral (Referee).

Buddy Credits will be applied only upon referral of first time customers. Returning customers are not eligible for the promotion.

The promotion applies only to referrals to eligible services. Eligible services are Swoop Acceler8ed Broadband, nbn™, or OptiComm Broadband services.

The program applies only to residential accounts. Business accounts and Swoop Business Services are not eligible for the Buddy Credit program.

The Buddy Credit will be applied after three months of connection. Both Referrer and Referee must still have an active service with Swoop Broadband at that time.

Buddy Credits cannot be redeemed as cash or for hardware.

The program is limited to five credits per customer in any 12 month period.

Swoop Broadband reserves the right to refuse applying a Buddy Credit at our discretion.
